No. 10005
GATCO® Edgemate™ Professional Knife Sharpening System

This is the ultimate knife sharpening system that will sharpen all kitchen, sport, and utility cutlery including knives and cutting tools with serrated blades. Never before has a sharpening system done so much! This specialty product utilizes the GATCO® exclusive knife clamp/angle guide to insure that all cutting tools can be easily sharpened to a precise razor-like edge.

The system includes:

- *GATCO® exclusive knife clamp/angle guide*
- *extra-coarse sharpening hone*
- *coarse sharpening hone*
- *medium sharpening hone*
- *fine sharpening hone*
- *serrated knife sharpening hone*
- *scientifically formulated honing oil*
- *custom case*

MSRP $55.99

Complete, easy-to-follow, illustrated instructions are permanently attached to the custom case lid

Honing oil is highly refined meeting FDA CFR 172.878 and CFR 178.362A standards for safety with food contact
